EQUINE SAFETY INITIATIVES

Keeneland's number one priority is the safety of its human and equine athletes. Please see below for important equine safety initiatives that have been implemented for the 2023 Keeneland Association, Inc. ("Keeneland") Fall Race Meet.

- 2023 Keeneland Safety Agreement:** This must be signed by the trainer and attending veterinarian and submitted to the Stable Office or Racing Office upon arrival. This document will cover all of 2023. Please ensure both you and your veterinarian sign prior to submitting. A valid and signed 2023 agreement must be on file PRIOR to the acceptance of any entry. The current agreement can be found online at: www.keeneland.com/safetyagreement.
- Medication Restricted Races:** Pursuant to the Regulations, all two-year-old races and stakes races will be conducted Lasix-free. Additional medication restrictions may apply. Please consult with your veterinarian, Keeneland Vice President of Equine Safety Dr. Stuart Brown, the KHRC, and/or the Authority if you have any questions regarding this regulation. See 15 U.S.C. 57A § 3055(d) and HISA Rules 4211 and 4212.
- Pre-Entry Exam:** Pursuant to the Regulations, all horses must have an exam performed by your veterinarian within the three (3) days preceding a race entry. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC and/or the Authority, as the case may be.
- Pre-Work Exam:** All horses must have an exam performed by your veterinarian within the five (5) days preceding a timed workout, per the 2023 Keeneland Safety Agreement. This exam is to be documented by your veterinarian and he/she will include their findings on their daily treatment records submitted to the KHRC or the Authority, as the case may be, or reported to the Keeneland Vice President of Equine Safety.
- In Today Signage:** All horses entered to race must be clearly identified starting at 7:30am on race day with an "In Today" sign. Trainers should hang these signs on the stall door or adjacent to the stall. This is separate from the KHRC Lasix tag hung following Lasix administration if permitted. Extra signs are available in the Stable Office.
- Entry Restrictions:** Pursuant to the Regulations, a first-time starter four years of age or older and any previously raced horse that has not started in the last 365 days or more must (i) contact a KHRC Veterinarian to schedule an official work and (ii) be approved by such KHRC Veterinarian PRIOR to entry. In addition, any first-time starter four years old and older or three years old and older that has not raced in the previous 365 days shall have an exam and published five (5) furlong work in 1:03:00 or faster approved by the Keeneland Vice President of Equine Safety (or his or her designee) PRIOR to entry. Finally, Keeneland's Vice President of Equine Safety (or his or her designee) may require a previously raced horse that has not raced within 150 days but has raced within 365 days to be evaluated PRIOR to entry and in addition any such horse must meet all other applicable regulatory requirements.
- Waiver Claiming Rule:** The Regulations allow a trainer to enter a claiming race but be ineligible to be claimed if the horse has not started in 120 days, the horse's last start was for a claiming price, and the subject race is for a claiming price equal to or greater than the claiming price for which the horse last started. Please see HISA Rule 2262-63.
- Extracorporeal Shock Wave Therapy or Radial Pulse Wave Therapy:** Any horse treated with extracorporeal shock wave therapy, radial pulse wave therapy or similar treatments shall not race or work (including breezes) for a minimum of thirty (30) days following treatment. Please refer to HISA Rule 2272.
- Speed Work Preference Window During Morning Training:** Preference will be provided to horses performing officially timed speed works during the first 10 minutes following any renovation breaks.

The Kentucky Thoroughbred Development Fund (KTDF)

Horsemen with Kentucky-sired Kentucky-breds have over \$30 million more in purse money to run for in designated stakes, handicap, allowance, non-claiming maiden races, and claiming races contested at licensed Thoroughbred race meetings in Kentucky.

Eligible races can be readily recognized in the stakes and condition books by the Kentucky Thoroughbred Development Fund seal, which will appear next to each race in the stakes and condition books.

In accordance with KRS 230.400(5)(d), it is mandatory for a horse to be registered prior to time of entry to be eligible to participate in the distribution of Kentucky Thoroughbred Development Fund monies. Registration is only complete once the application is approved and payment has been received.

All horses of racing age that are both Kentucky-bred and sired by a Kentucky stallion which stood in Kentucky the entire breeding season the year the horse was conceived are eligible to be registered. Owners of horses of racing age are responsible for registering their horses. Stallion owners are responsible for registering their stallions.

Registration applications may be obtained from the official registrar, the Kentucky Thoroughbred Owners and Breeders, by contacting:

Mrs. Jenny McGaughey, Registrar
Kentucky Thoroughbred Owners and Breeders
4079 Iron Works Parkway, Lexington, KY 40511
(T) 859 259-1643 • (M) 859 361-6002

Registration may be completed online at www.kta-ktob.com. The Horse Identifier can check registration status of a horse.

For those horses that are registered and eligible according to the conditions listed above, fund monies will be divided as follows. After payment of 1.25% to all owners of horses finishing 6th through last place, the remaining fund monies will be divided:

- 62% to the owner of the winning horse
- 20% to the owner of the 2nd place finisher
- 10% to the owner of the 3rd place finisher
- 5% to the owner of the 4th place finisher
- 3% to the owner of the 5th place finisher

See chart on Page 9.

Unearned fund monies revert to the Kentucky Thoroughbred Development Fund. Additionally, if a non-KTDF eligible horse is involved in a dead heat, those funds will revert to the fund. **See example for distribution on Page 9.**

PLEASE NOTE: ALL KTDF PURSE ALLOTMENTS CONTAINED HEREIN ARE SUBJECT TO KHRC APPROVAL.

Digital Foal Certificates:

The Jockey Club registry issues digital foal certificates for foals of 2018 and later. Digital certificates are stored on the Registry's website at registry.jockeyclub.com. If you are planning on running at Keeneland ask your owners to assign digital certificates of horses five-years-old or less who have digital certificates to Keeneland as the "Certificate Manager". All digital foal papers will be treated the same as paper foal papers and must be on file by Monday, October 2 for a zero date. For horses six-years-old and up, continue to deliver paper certificates to Keeneland Racing Office Attention Horse I.D.

If you have questions about digital foal certificates, see the digital certificates FAQs at registry.jockeyclub.com or contact the Registry office via email at inquiries@jockeyclub.com or by phone at (800) 444-8521.

KEENELAND DATE PREFERENCE SYSTEM

The Date System of preference will be used at Keeneland as described below:

Paper foal certificates and digital foal certificates (collectively, "Foal Certificates") are no longer required to be retained on file in the racing office to enter or start at Keeneland; however, Foal Certificates must be on file to obtain a preference date and to get a horse digitally tattooed.

To receive a zero (0) date, Foal Certificates must be on file with the Horse Identifier by Sunday, October 1.

Preference by condition eligibility then by:

1. In over-filled races, preference will be given to horses in order of their assigned preference dates, earliest date first. Horses having identical dates will be chosen by lot; however, where entry and running dates are the same, the horse with the entry date will have preference.
2. All horses intended for racing at Keeneland will be assigned a preference date. Dates assigned will be of two types:

E-Date

This date will correspond to:

- a. The day on which a horse's Foal Certificate and name tag are submitted to the Horse Identifier (the earliest date being the day when entries are first taken for the meeting). An unnamed horse will not receive an E-Date.
- b. The day on which a horse is first entered if his papers are not on file with the Horse Identifier.

- c. To qualify for the latter E-Date, a horse must have been excluded from a race which appears on the overnight or he must have been entered in a condition book race which failed to fill through insufficient entries.

R-Date

This date will correspond to:

- a. The day of a horse's most recent race at Keeneland.
 - b. An R-Date will also be assigned to a horse which scratches (provided the Foal Certificates are on file with the identifier).
3. A horse retains his R-Date until he receives a newer R-Date. No horse with an established R-Date may receive an E-Date. A horse whose Foal Certificates are removed from the Horse Identifier's office will lose his date and must subsequently re-establish a date in order to receive preference. A horse with an E-Date cannot receive a newer E-Date. Horses starting at another racetrack will forfeit any date they may have at Keeneland. Additionally, horses racing at Keeneland without Foal Certificates on site will not retain their R-Date.
 4. Preference dates will consist of two categories: Dirt (D) and Turf (T). Preference dates are good for any type of race or distance.
 5. A horse that runs in a race, which has been taken off the Turf will retain its Turf date and establish a Dirt R-Date. A scratched horse will receive an R-Date from the date scratched for both Turf and Dirt.
 6. When a race is taken off the Turf, Main Track Only (MTO) horses will receive an R-Date if they run or scratch. If the race remains on the Turf, MTO horses will retain their previous date.
 7. Horses on the Also-Eligible list shall be permitted to draw into races in order listed. A horse entered as MTO shall be listed as an Also-Eligible. If the race remains on the Turf, a horse listed as MTO shall not be permitted to draw into the race.
 8. No E-Date will be assigned to the second choice of an unsplit same-owner entry.
 9. A horse which has been placed on a list (veterinarian, Steward, starter or paddock judge) will lose their date and be assigned an R-Date corresponding to the day removed from list, provided the Foal Certificates are on file with the Horse Identifier.
 10. A horse which is a scheduled starter in a canceled race will not receive an R-Date for that race but will retain its previous date.
 11. Stakes and handicap races are not subject to date preference.
 12. Preference dates are transferred through change of ownership and changes in trainer after the proper transfer procedure have been completed through the Steward's office and delivered to the Racing Secretary's Office.
 13. Date preference rules will not supersede KHRC rules regarding preference, eligibility or scratches.
 14. Winners will be preferred in all non-maiden races.

Condition Preference

- Horses are preferred by their available conditions in all allowance races beginning with Graded stake winners (Grade I-II-III), open stakes winners through their allowance conditions providing the horse has finished 1st, 2nd, 3rd or 4th for \$50,000 or more since starting for less than \$50,000. In allowance/optional claiming races a horse's preference cannot exceed the condition of the race. Starter races for less than \$40,000 will not be preferred.

- No entry will be received except upon the condition that all disputes, claims and objections arising out of the racing or with respect to the interpretation of the conditions of any race shall be decided by the officers of the association, or those whom they may appoint and their decision upon all points shall be final.
- No entry shall be accepted from any stable not provided with a trainer's license.

Main Track Only Entries

- Entries will be accepted in turf races (excluding stakes) for Main Track Only (MTO) horses.
- Trainers must declare the horse as MTO at the time of entry.
- A horse entered as MTO shall be listed as Also-Eligible.
- In an over-filled turf race, an MTO shall not be carded to the exclusion of a turf entry. Also-Eligible (including MTO) shall be assigned a post position by preference. If preference is equal, post positions shall be drawn by lot, unless otherwise stipulated in the published conditions of the race.
- If the race remains on the turf, a horse listed as MTO shall not be permitted to draw into the race. When a race is removed from the turf, MTO horses will receive an R-Date if they run or scratch. If the race remains on the turf, MTO horses will retain their previous date.

Weight

Owners and trainers must be careful to claim allowances at the time of entry, and state penalties, and are solely responsible if a horse starts with the incorrect weight and is therefore disqualified.

Special Notices

- Keeneland reserves the right to start any or all races with or without a stall gate starting machine.

Field Size

Field size shall be determined by Keeneland, in its sole and absolute discretion.

Turf Course Special Notices

- All races programmed to be run on the turf course may, in the event of a change in the condition of the course, to preserve the condition of the turf course in the interests of safety or integrity, or for any other reason in Keeneland's sole and absolute discretion, be transferred and run over the main track.
- All races transferred from the turf course to the main track will be run at the same distance with two exceptions: races at one mile and one-half on the turf will be contested at one mile and five-eighths on the main track and races for 2 year olds at nine furlongs will be contested at eight and one-half furlongs on main track.
- Ponies will not be allowed on the turf course.

Veterinarian Examinations

At all times, a horse must be in serviceable, sound racing condition in order to train, work or race at Keeneland. Trainer will not enter a horse in any race **UNLESS** the horse has: (a) been examined by horse's attending veterinarian during the three (3) days immediately preceding the entry to race for the express purpose of evaluating the horse's fitness to race; (b) been found fit to race by the attending veterinarian, and (c) met all other applicable regulatory requirements to be entered in a race. This evaluation shall include, at a minimum, watching the horse jog. The attending veterinarian and trainer are obligated to inform the Keeneland Vice President of Equine Safety and the KHRC Veterinarian of any changes in the horse's fitness after entry through race day. The Trainer acknowledges it is his/her obligation to confirm the horse is in serviceable, sound racing condition in order to train, work or race at Keeneland. **Keeneland may refuse to accept any entry UNLESS and UNTIL a fully executed copy of Keeneland's Safety Agreement, signed by the trainer and the trainer's attending veterinarian, has been submitted to Keeneland's Racing Office.**

The KHRC appoints an official veterinarian ("KHRC Veterinarian") who performs his or her duties as set forth in the relevant KHRC Rules (including, without limitation, 810 KAR 2:010) and, pursuant to an agreement with the Authority, certain other duties under the HISA Rules, maintains the KHRC and/or HISA practices and procedures, and ensures compliance with those practices and procedures. At any time, the Keeneland Vice President of Equine Safety and/or the KHRC Veterinarian, or their respective designee, may perform such examinations as either party may deem necessary or advisable (including, without limitation, those examinations and certifications required by any Regulations to assess a horse's soundness to train, work or race). Such examinations may include (but are not limited to) pre-and post-training, work and race inspections, and may consist of **observing the horse while being jogged and examining the horse's legs, attitude and demeanor, all while referencing past training, work or race-day exam information provided by the KHRC Veterinarian's records. In addition, such examinations may include diagnostic tests as part of the evaluation of the horse's soundness. Any horse that is deemed unsound may be scratched from a race or not permitted to train or work.**

Keeneland and the KHRC Veterinarian are entitled (but not required to) contact, without prior notice, a horse's attending veterinarian(s) to confirm that examinations have been conducted pursuant to these rules and the applicable Regulations and that any such examination(s) meets Keeneland and all regulatory requirements. Keeneland shall have the right (but not the obligation) to examine and review all records on any horse entered to race or scheduled to train.

HORSEMEN'S BOOKKEEPER

Contact: Ryan Oakman
Tel: 859-280-4748
Email: horsebook@keeneland.com

The Horsemen's Bookkeepers' offices will be open from 8:30 am until after the last race on live racing days.

There are two office locations: Inside the Racing Secretary's office, and on the second floor of the administrative offices.

Prior to participation in a race owners are required to establish an account with the Horsemen's Bookkeeper to include ALL of the following:

- Complete address information
- W-9 or W-8ECI
- Jockey fees
- Fees for stakes engagements

Keeneland may refuse entry to any person(s) who has not paid monies owed to Keeneland including but not limited to: stall rent, nomination fees, entry fees, starting fees and jockey fees.

Any balance owed to Keeneland may be paid with a credit card (Visa, MC, AMEX, Discover). Credit card authorization forms are available through the Horsemen's Bookkeeper. A transaction fee of 3% will be applied to any balances over \$5,000 paid via credit card.

Partnerships

If a horse runs in the name of a partnership, the check will be issued in the name(s) of those listed on the designated partnership account. The Horsemen's Bookkeeper will not pay out percentages to different partners; it is the responsibility of the partnership to disperse funds accordingly.

Tax Reporting

A tax ID (SSN or FEIN) is required before any funds can be released. An IRS form W9 or W8ECI certifying the tax ID must be submitted to "Keeneland Association, Inc." In the case of partnership accounts, a W9 is required from ONLY ONE of the partners and all income for the account will be reported to the IRS using that partner's tax ID.

Wire Transfer Funds To Your Keeneland Account

Email horsebook@keeneland.com for wire transfer instructions. Include all pertinent information to be sure your funds are credited to the appropriate account.

Complimentary Wire Transfer to Churchill Downs

As a courtesy to our horsemen upon request, Keeneland will wire funds to Churchill Downs at the conclusion of our meet. A W9 is required for each account that requests this service.

Required Forms

United States Residents – Horsemen must have a signed W-9 on file with the Horsemen's Bookkeeper before any purse money will be distributed.

United States Non-Residents - The Internal Revenue Service requires that Keeneland withhold and pay 30% of purses paid to a non-resident of the United States, if the person paid does not possess a valid Federal Taxpayer Identification Number, to the IRS. Each non-resident must complete a FORM W8ECI, and place on file with the Horsemen's Bookkeeper.

TAX FORMS can be picked up in either Horsemen's Bookkeeper's office. Completed forms can be dropped off at either location, faxed to 859-280-4730, or emailed to horsebook@keeneland.com.

Thoroughbred Aftercare Alliance (TAA) \$10-per-start 'opt-out' contribution

Keeneland has partnered with the TAA, a 501 (c) (3) non-profit organization, in an effort to ensure quality aftercare for our equine athletes when their racing careers are over. A \$10 fee will be collected from each owner's account and contributed to the TAA for every horse that starts a race at Keeneland. Furthermore, Keeneland will match all contributions collected in order to double the impact. Participation is optional. If, for any reason, you choose not to support this program, you may opt out by emailing the Horsemen's Bookkeeper at horsebook@keeneland.com.

Funds for claims: All funds must be available on account in order to be used for claims.

PURSE DISTRIBUTION

After payment of 1.25% to all owners of horses finishing 6th through last place, the remaining Association purse will be divided:

- 62% to the owner of the winning horse
- 20% to the owner of the 2nd place finisher
- 10% to the owner of the 3rd place finisher
- 5% to the owner of the 4th place finisher
- 3% to the owner of the 5th place finisher

TATTOO/MICROCHIP

All owners who have horses digitally tattooed on Keeneland's grounds, shall pay the \$100 fee directly to the TRPB Identifier. If the horse's first career start is at Keeneland, the owner's HB account will be credited in the same amount.

Effective January 1, 2020 Race Horse Identification transitioned from lip tattooing to utilizing the Digital Tattoo (Picture Horse ID) which is accessible through scanning of the Jockey Club issued Microchip implanted in the horse's neck by the breeder.

All foals of 2017 forward must be microchipped before the Jockey Club will register the horse.

All foals of 2016 and older who are not tattooed and who currently do not have a microchip need to contact The Jockey Club (#800-444-8521) to obtain a microchip. The Jockey Club issued microchip must be inserted into the horse and listed on the Foal Certificate before the horse is Digitally Tattooed prior to its first race.

Like the old tattoo system, TRPB Identifiers will come to the barn, then scan the microchip to pull up the digital copy of the foal papers and verify the markings prior to the horse being allowed to race. Additionally, the TRPB Identifiers will take a series of photographs of the horse.

BIG RACE, ARE
HUNDREDS
OF SMALL
MOMENTS

Behind every race, are hundreds of small moments.

A horse doesn't become great at the moment it crosses the finish line. Its greatness is built each day with its team, in little moments on and off the track. At Hagyard, we're proud to say we are a part of those teams.

Call on us so that we can celebrate moments like this **together**.
