COMMENTS: WAXMAN has never finished out of the money in five races, including two wins and a second in three at Aqueduct. GREEN LIGHT GO won his last by 9 lengths, big races are usually followed by another. DOUBLY BLESSED is a horse for the course with three wins in four races, just two in 11 elsewhere. MILTON THE MONSTER won his last by 12 lengths and could be better in the third start off the bench, just needs to prove he can carry it from Parx to Aqueduct.
